## Answers Cambridge Igcse Business Studies Fourth Edition

No: The business seems to be quite successful. Sasha must have already made some good decisions - why discuss them with managers and workers: she can accept. ) This is leadership ... (V .: This is not so. There were no decisions about how and what to do - how and where to move. Just ... (Z .: V .: What's the matter? V .: It's too good to be true. Sasha must have made one or two mistakes somewhere.) It was a voice, it didn't belong to any of them. The moment V. heard that voice, she knew she was in a dream She didn't know who or what was talking to her But now she understood
