Q: How do I start a JQuery slide up and down animation on one element? JQuery - Hover Popup I have a popup that I want to animate on mouse over, to do this I have used the jQuery popup plugin. I have a div below it with an id of bg. When the popup opens, the mouse is held over the popup and the popup moves with the mouse. My problem is that the popup slides up and down once. I have tried using a mouse over to trigger the animation. `$(document).ready(function(){
$("#bg").hover(function()`
